

## PostBidShip Named to CIOReview's 2020 Top 10 Oracle Solution Companies

*Second Consecutive Year of Recognition for Digital Freight Matching Platform*

**SCOTTSDALE, Ariz., December 17, 2020** – PostBidShip, a digital freight technology company, today announced they have been named to the [Top 10 Oracle Solution Providers 2020](#) list by [CIOReview](#) Magazine. CIOReview – a leading technology magazine that is at the forefront of guiding enterprises' C-suite executives, industry experts and other technology buy decision-makers - announced the recognition in its December 4, 2020 issue.

### CIOReview Top 10 Oracle Solution Companies

CIOReview, a technology magazine, offers a ground-breaking platform to help organizations be more responsive to change and to allow decision makers to share their insights. It provides a platform for entrepreneurs to showcase their innovative solutions. The distinguished panel of CIOs, CEOs, VCs, analysts, and the editorial board of CIOReview distilled down the list of Oracle solution providers.

*"Inclusion on CIOReview's Top 10 Oracle Solution Companies affirms the transition of PostBidShip's digital freight matching (DFM) technology into a 'must-have' capability for leading logistics and supply chain organizations today. The PostBidShip platform leverages efficient, digital, economical tendering of loads to aid shippers and carriers to both adapt rapidly to changing market conditions,"* expressed Jarret Hamstreet, CEO of PostBidShip.

PostBidShip believes its recognition as a top 10 Oracle solution provider is supported by:

- A platform solution that helps to immediately benefits shippers in the current North American freight market that is experiencing historic market challenges in both capacity and pricing.
- A cloud-powered technology solution that dynamically scales to support enterprises' needs, whether on-premise, hybrid cloud or full cloud.
- A highly knowledgeable implementation team members that speed onboarding with customers of Oracle Transportation Management (OTM) in a matter of days.
